- Walk, fly, or drive through your own virtual city
- Produce 3-D anaglyphic images
- Experiment with stereoscopic images

Includes an IBM 5-1/4" disk and 3-D glasses.  
Publisher's Price: \$22.95.

**MEMBERSHIP BENEFITS.** In addition to getting the VIRTUAL REALITY SET for only \$4.95 and *Mirror Worlds* for FREE when you join, you keep saving substantially with discounts of up to 50% off the publishers' prices on books you choose to purchase. • Also, you will immediately become eligible to participate in our Bonus Book Plan. • Moreover, our books are always identical to the publisher's editions. You'll never receive an "economy edition" with inferior paper and bindings from us. • At 3-4 week intervals (16 times per year), you will receive the Library of Science News, describing the coming Main Selection and Alternate Selections, together with a dated reply card. • In addition, up to four times a year, you may receive offers of Special Selections which will be made available to a group of select members. • If you want the Main Selection, do nothing, and it will be sent to you automatically. • If you prefer another selection, or no book at all, simply indicate your choice on the card and return it by the date specified. • You will have at least 10 days to decide. If, because of late mail delivery of the News, you should receive a book you do not want, we guarantee return postage.

**Yours FREE**  
A **\$24.95** value!
