### Honoring Victory in World War II.

When the gallant pilots of the U.S. Army Air Corps took to the skies during World War II to defend freedom, they wore the legendary A-2 Leather Flying Jacket. The A-2 was lightweight and comfortable, yet "tough as nails" and identified its wearer as one of an elite breed of fighting men.

Announcing the final production run for *The 50th Anniversary Limited-Edition Official A-2 Flying Jacket*.

# Far Side Flashback

A collective wail was heard earlier this year when readers of more than 1,900 newspapers discovered Gary Larson would bow out of daily cartooning. But fear not! This complete collection of Larson's Far Side Galleries and the Prehistory edition span his entire career from his earliest work to his final cartoons bringing the world's most notoriously wry and penetrating wit into our lives once more.

Politically correct swamp monsters, buzzard picnics, fortune-telling chickens, primitive theme parks, cows relaxing in a hay bar...Larson's viewpoint is a unique glance into a world that exists only in this cartoon netherworld. This anthology captures the range and essence of Larson's work giving his fans an enormous dose of his best selections. — from the Publisher
