

Erector® Sets

Erector® sets, the first American metal construction sets, are one of the most popular toy lines ever invented! Your children are sure to have as much fun with these brand new sets as you had with yours and your parents had with theirs!

- ★ All sets are compatible with previous years' sets.
- ★ Projects help develop manual dexterity and concentration.

Basic Set 4

Basic Set 6

Basic Erector® Sets feature high-quality, 100% steel parts, the traditional Allen key wrench system, and color-coded instruction manuals.

- ★ Set 2 — **"1991 Parents' Choice Gold Award Winner"** — includes a 3-volt motor, 1 set of gears, and 274 parts for 27 models, \$41.95. Requires 2 AA batteries.
- ★ Set 4 includes a 6-volt motor that operates in forward and reverse, 3 sets of gears, and 452 parts for 51 models, \$79.95.
- ★ Sets 2 and 4 recommended for age 8 and up.
- ★ **ADVANCED Set 6** includes a 6-volt motor that operates in forward and reverse, 5 sets of gears, and 640 parts for 75 models, \$139.95. *Recommended for age 9 and up.*
- ★ Sets 4 and 6 require 4 AA batteries, not included.

The Erector® Storage Case prevents the loss of small parts as well as making it easier for young builders to find the parts they need. This sturdy red case is an ideal traveling companion and keeps the set in good shape to hand over to the next generation! \$19.95.

- ★ Two stackable empty compartments are contained in this shake-proof case with a secure locking system.
- ★ Special slots designed for the Power Tool and instruction booklets complete the case.

Erector® Power Tool makes assembling and disassembling models much easier and quicker. Requires 2 AA batteries, not included. \$9.95. *Recommended for age 8 and up.*

- ★ A built-in safety device stops drill to prevent overtightening.
- ★ Four different drill bits including junior, large, and small Allen head and nut driven come with each Power Tool in addition to a magnetic chuck.
