**NEWBRIDGE**

The world of physics comes instantly to life in 50 interactive animations that make learning easy and fun. With CD-PHYSICS, you're the master of your multimedia universe, moving freely through conservation of energy, thermodynamics, electrical and magnetic fields. Or, you can hyperlink to quarks, leptons and the Big Bang.

Whatever your level of expertise, CD-PHYSICS will take you to the limits of your understanding, then stretch you beyond with hundreds of challenging questions and problems with helpful hints and solutions that make even the most abstract concepts clear.

Based on Halliday, Resnick and Walker's bestselling *Fundamentals of Physics, Fourth Edition*, CD-PHYSICS includes a 50 topic CD-ROM, User's Guide and companion paperback reference—all in one compact package. Best of all, this \$79.95 value can be yours for just \$4.95 as your introduction to the Library of Science. Complete and send your coupon today!

The **Library of Science** is the nation's oldest and most respected science book club. Dedicated to serving both professionals and serious amateurs, it surveys the entire field of published sources on scientific subjects to make the very finest works available to club members at substantial savings.

**MEMBERSHIP BENEFITS:** In addition to getting CD-PHYSICS for only \$4.95 when you join, you keep saving substantially with discounts of up to 50% off the publishers' prices on books you choose to purchase. • Also, you can participate in our Bonus Book Plan after purchasing just one regular selection at the discounted member's price. • Moreover, our books are always identical to the publishers' editions. You'll never receive an "economy edition" with inferior paper and bindings from us. • At 3-4 week intervals (15 times per year), you will receive the Library of Science News, describing the coming Main Selection and Alternate Selections, together with a dated reply card. • In addition, up to three times a year, you may receive offers of Special Selections which will be made available to a group of select members. • If you want the Main Selection, do nothing, and it will be sent to you automatically. • If you prefer another selection, or no book at all, simply indicate your choice on the card and return it by the date specified. • You will have at least 10 days to decide. If, because of late mail delivery of the News, you should receive a book you do not want, we guarantee return postage.
