

# Flower Foibles Resolved!

A-to-Z plant entries with problems organized by symptoms. Solve these problems and hundreds like them in a flash!

- The buds on your peonies won't open.
- Your marigolds wilt and rot.
- Your tulips bloomed beautifully last year, but now they're gone.

Rodale's *Flower Garden Problem Solver* gives you solutions that work for problems with insect and animal pests, diseases, weeds, propagation, nutrient deficiencies, and more. This one-of-a-kind guide tells you everything you need to know to grow gorgeous flowers and keep them healthy! You'll find hundreds of quick and easy tips, techniques, and solutions that help you:

- Identify the problem.
- Solve the problem.
- Prevent it from happening again.

Rodale Press, 1988, 550 pages, 7 1/2" x 9", paperback, \$14.95

Rodale's *Garden Problem Solver* gives you solutions that work for problems with insect and animal pests, diseases, weeds, propagation, storage, nutrient deficiencies, and more.

**PROBLEM:** Your tomato plants are weakening, and the leaves yellow and die.

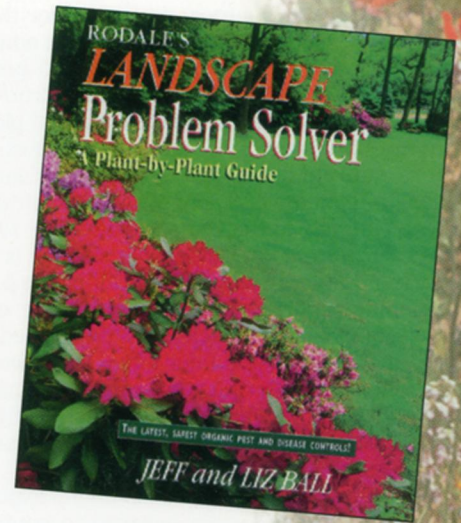

**PROBLEM:** The blossoms on your strawberry plant are discolored.

**PROBLEM:** Your parsley is rotting in the garden.

Is your soil missing a critical nutrient? Are you overwatering? Are your plants infested with pests or suffering from a disease? *Rodale's Garden Problem Solver* identifies the cause and gives you the solution—fast! Hundreds of quick and easy tips, techniques, and solutions let you:

- Identify the problem.
- Solve the problem.
- Prevent it from happening again.

Rodale Press, 1990, 422 pages, 7 1/2" x 9", paperback, \$14.95

With *Rodale's Landscape Problem Solver*, you can turn your yard into a lush landscape full of healthy, beautiful plants. Solve these problems and hundreds more in seconds!

- The blossoms on your rose bushes aren't opening.
- Yellow spots are showing up on the leaves of your dogwoods.
- The branches of your lilacs are drooping, even though you've watered them carefully.

Learn safe and effective ways of controlling the insect pests, animal pests, and diseases that attack your landscape plants. And find out how to keep these pests and diseases out of the yard in the first place. Trees, shrubs, groundcovers, vines, foliage plants, and lawns—they're all here. Everything you need to know to take care of your landscape is included:

- Planting
- Fertilizing
- Pruning
- Protecting plants in winter
- Watering
- Weeding
