WHITEWINGS PAPER AIRPLANES CD-ROM

Materials for three paper gliders accompany this CD-ROM, which reveals the wonders of flight and how those principles apply to crafting successful paper airplanes. Instructions for assembling the planes are followed-up on the CD-ROM with a troubleshooter's guide and methods for achieving the best lift. More than 25 QuickTime audio videos make each project entertaining as well as educational. *Recommended for age 10 and up.*

Minimum IBM® PC or compatible system configuration:

Windows 3.1 or Window 95, 486/DX33 or higher IBM® or compatible computer, 8MB RAM, 10MB of free hard disk space, 2xCD-ROM drive, 14" color monitor, printer optional. Minimum Macintosh® system configuration: 68030 standard Macintosh® processor or 601 Power Mac processor or higher, 8MB RAM, System 7.0 or greater, 2xCD-ROM drive, 14" color monitor.

~~\$37.95~~ **WhitewingsCD**

ALSO AVAILABLE — WHITEWINGS PIONEERS OF FLIGHT (NOT PICTURED)

Designed by Yasuaki Ninomiya

See how the earliest planes in their eras got off the ground, and create your own replicas of these classics. This kit features 15 models—including the *Spirit of St. Louis*, SST, F-15 Eagle, and Flying Boat. All parts are printed on quality drawing paper, requiring only scissors, a razor blade, and glue to construct exciting models. *Recommended for age 10 and up. Includes a 68-page instruction booklet, rubber band, and catapult.* ~~\$15.95~~ **WhitewingsPF**

GREEN THUMBS

A Kid's Activity Guide to Indoor and Outdoor Gardening

Using materials found around the house, children can explore all aspects of gardening and learn about nature in the process. The 80 interesting, educational projects range from composting to growing plants and flowers to cooking and eating the "fruits" of one's labor. Whether a windowsill or a whole backyard-sized garden, parents can help children easily learn to cultivate green thumbs with this informative book.

Recommended for ages 3 to 9. 1995, 134 pages, 11" x 8 1/2", paperback ~~\$12.95~~ **GreenThumbs**

SQUIRRELS

A combination of illustrated field guide, fact book, and folklore collection, *Squirrels* is a new kind of wildlife book. This concise, illustrated volume identifies specific squirrel species with color illustrations and gives a comprehensive listing of vital statistics associated with each. It also presents an accurate, informative portrait of squirrels in their natural habitat, along with an examination of their relationship to humans.

—from Johnson Books

1995, 181 pages, 5 1/4" x 8" paperback, ~~\$15.95~~ **Squirrels**
