

1998 Weather Guide Calendar

This 12-month wall calendar features stunning photographs of weather at work and charts the days with historic weather events. An additional 28 pages in full color provide climatic data for cities in the United States and around the globe and the facts behind weather folklore. 13" x 22", \$11.95

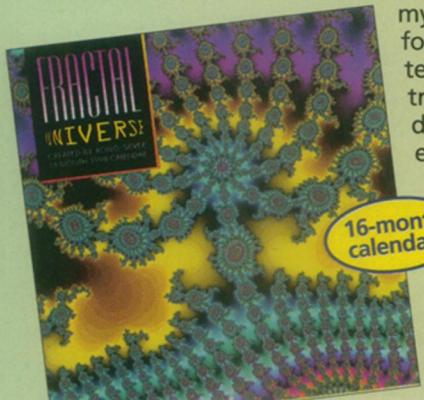

Essential Einstein™

A 365 Page-A-Day Calendar of Quotes

Albert Einstein remained a humble person throughout his life, finding joy in simple pleasures and cherishing his solitude. *Essential Einstein*, featuring 365 days of quotes from Einstein's letters, speeches, and recorded conversations, offers an inspiring testament to this very public—and very private—man. 5" x 5½", \$9.95

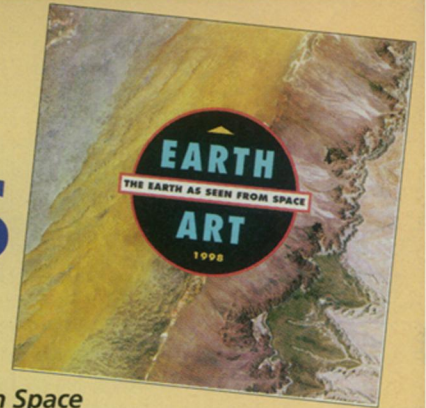

Fractal Universe Calendar

Enter the strange and beautiful world of fractals—where art and science blend to create myriad colors, forms, and patterns that are truly amazing. These digital images are generated by computer from mathematical equations by fractal artist Rollo Silver, who will bring you a new mind-expanding offering each month. 12" x 24", \$11.95

Earth Art Calendar

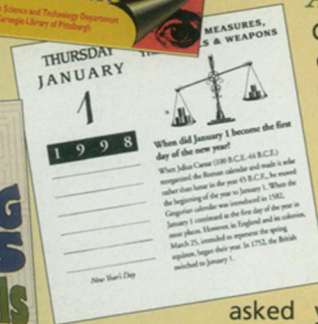

The Earth As Seen From Space

Orbiting 500 miles above our planet, the SPOT satellite photographs Earth from the edge of space. Scenes from 13 different countries take on startlingly original shapes, vivid colors, and textures of haunting beauty. Deserts look like ancient parchments, grasslands turn into flaming streaks, and mountains create a multitude of patterns. 11¼" x 22½", \$11.95

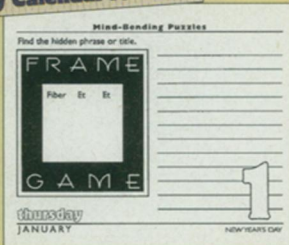

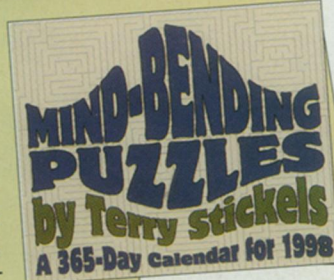

The Handy Science Answer Calendar

Compiled from the extensive ready-reference files of the Science and Technology Department of the Carnegie Library of Pittsburgh, the *Handy Science Answer Calendar* answers more than 300 frequently

asked yet difficult-to-answer science and technology questions. 5" x 5½", \$9.95

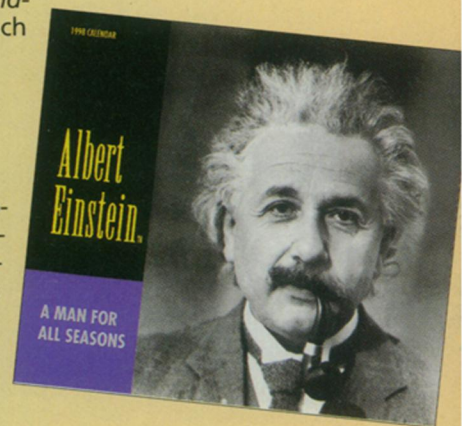

Mind-Bending Puzzles Page-A-Day Calendar by Terry Stickels

Do you enjoy cryptograms? Word problems? Do you like to flex your brain by discovering the missing link in numerical sequences? If your answer to any of these questions is yes, you'll love having puzzlemeister Terry Stickels' *Mind-Bending Puzzles* greet you each day with a new challenge. 6" x 5", \$9.95

Albert Einstein™ A Man for All Seasons

This calendar features 12 photographs spanning both Einstein's professional and personal lifetime, including ones with Marie Curie, King Albert of Belgium, and the physicist's wife, Elsa. 13" x 24", \$12.95
