Tumor cells

Tertiary structure of ribonuclease

Explore the dynamic world of cell biology with *The Cell: A Molecular Approach*. Packed with 663 illustrations, charts, and diagrams, *The Cell* by Geoffrey M. Cooper brings you the biggest discoveries in the smallest realms of the human body.

This CD-ROM/book tutorial offers a complete survey of contemporary cell biology focusing on the molecular structure and function of cells as a unifying theme. Topics range from developmental biology, the nervous and immune systems, plant biology, and

bioenergetics to groundbreaking experiments in HIV/AIDS, gene therapy, growth hormone deficiency, and cancer research.

The accompanying CD-ROM (PC and Mac compatible) contains 14 mini-courses that consist of an integrated series of text, animation, and figure entries reviewing selected topics covered in most chapters. In addition, the CD-ROM includes an encyclopedia of cell and molecular biology with more than 800 entries.

636 pages **Publisher's price: \$62.95**

MEMBERSHIP BENEFITS: In addition to getting *The Cell* for only \$5.95 when you join, you keep saving substantially with discounts of up to 50% off the publishers' prices. ■ Your only commitment is to purchase three more books, at regular member's prices, during the next two years. After that you're free to cancel your membership. ■ With your first purchase of one regular selection, you'll earn Bonus Credits you can use to save even more. ■ When you qualify as a Preferred Member, you'll earn *double* Bonus Credits and enjoy other special benefits. ■ Moreover, we feature quality publishers' editions. Also, from time to time, you'll be able to purchase special book club editions at significant savings. ■ At 3-4 week intervals (15 times per year), you will receive the Library of Science News, describing the coming Main Selection and Alternate Selections, together with a dated reply card. Plus, up to three times a year, you may receive offers of Special Selections which will be made available to a group of select members. ■ If you want the Main Selection, do nothing, and it will be sent to you automatically. ■ If you prefer another selection, or no book at all, simply indicate your choice on the card and return it by the date specified. ■ You will have at least 15 days to decide. If, because of late mail delivery of the News, you should receive a book you do not want, just return it free of charge.

LIBRARY OF SCIENCE ■ P. O. Box 6014 ■ Delran, NJ 08075-9649

Please enroll me in the Library of Science and send me *The Cell* (37702) billing me only \$5.95, plus shipping and handling. I agree to purchase at least three additional selections at regular member's prices over the next two years. As a member, I can save up to 50% off the publishers' prices. My membership is cancelable any time after I buy these three additional books. A shipping-and-handling charge is added to all shipments.

No-Risk Guarantee: If I am not satisfied—for any reason—I may return *The Cell* within 15 days. My membership will be canceled, and I will owe nothing.
