## Germs of Endearment

---

*Panasonic is a proud sponsor  
of the Mathematics Category at the  
Intel International Science and  
Engineering Fair.*

**Innovation and**

**Discovery:** Two essential ingredients for success. Panasonic believes that by recognizing today's young scientists and their teachers, we are helping to create a generation of students better prepared to meet and master the challenges of tomorrow.

**Technology and Education:**

A partnership essential for the future. Panasonic is proud to play a role in a partnership that will transform today's students into tomorrow's leaders.

Panasonic Consumer Electronics Company

**Panasonic. Technics. Quasar.**
