

# We're Getting Wiser About Getting Older.

The **AARP Andrus Foundation** provides funding for projects in applied gerontological research, distillation and dissemination of research and support for the next generation of researchers in aging.

The Foundation is proud to be a sponsor of the **Intel International Science and Engineering Fair** and proud of the young scientists who are pursuing research in aging. For information on the grant programs of the AARP Andrus Foundation, write us at

601 E. Street, N.W.  
Washington, D.C. 20049
