

Now—there is no reason for you or your loved ones to ever be robbed or molested

# how to avoid burglary, housebreaking and other crimes!

by Ulrich Kaufmann

Retired Federal Agent in Charge and Security Expert

Would you like to sleep sound—and live safe—for the rest of your life—regardless of headlines of spurring, violent crime?

Would you like to relax your worries about the safety of your wife, your younger children?

Then accept my help. I'll give you the simple cautions and safe counter steps I've used to protect VIPs the world over. It need cost you virtually nothing. It's as easy as brushing your teeth.

## Easy to Be Safe!

Why risk daily, unnecessarily, all you have and love?

You may now be running risks which you don't realize—the easiest, simplest steps could safeguard you simply by knowing about them.

Bad Guys steal and rob as a business. Training is life long. Prison is a tutoring school. They're tough. They've been taught exactly what to do to invade your home—take your possessions—even your life—with least risk to them.

## What Discourages Intruders

You can be their easy mark victim. They know exactly the easiest, safest, fastest way to steal your car—your valuables and your cash unless you know how to prevent these dangers. . . . Here's how—and to easily avoid these risks.

I can help you and your family avoid danger from intruders. . . . Because my job has been to do exactly that for VIPs. Because all my professional life I've studied how criminals think—"spot" a victim—look over a "job"—plan strategy—commit their crimes—and what discourages them from doing so.

Would you prefer an intruder to pass you up—for an easier mark? Follow my simple dos and don'ts—and overwhelmingly they will.

I've put all I know into book form to help average families keep safe. I simply tell you the glaring weaknesses which trained criminals can recognize in your home right now—and exactly how to correct them. I give you the simple security tips, secrets, and cautions that cause intruders to go on

to other easier "job" to steal more.

Should an intruder ever follow you or approach you or your home, knowing exactly what to do can save your life. So please read for the next 60 seconds carefully

## How to Play Safe!

Intruders try to get into your car as you stop on a deserted street for a red light. You break down at night in a strange area—or return to your parked car there. But I show you now what to do to avoid danger then.

You hear a strange noise in the basement. It is an intruder. But I show you now simple protective steps to take—before he gets to your bedroom.

You're away on a trip. Intruders approach your empty house. But I've already shown you exactly what to do so the intruder passes your house by.

You think you're being followed or overheard. But I've already shown you how to protect yourself—even how to use the police to frighten them off—without them or the police realizing what you're up to.

A stranger comes to the door with a "legitimate" reason to come inside. I show you exactly how to check his "credentials" before it's too late and exactly what to do as soon as you have any doubts.

You're walking home on a dark night through a strange neighborhood. Or you get home late and suspect intruders have already entered. I tell you exactly what to do to play safe. I warn of ways thieves take advantage of your habits, plans, even parties—and tell how to forestall them. And of the dangers of being mugged and robbed even in a high class hotel elevator—and how to keep this from happening to you.

## Protection for 25¢

Here's what single women should do about name plate holders. How to get extra police protection, extra security from your landlord, extra help protecting valuables from your insurance company. How to be safest travelling, even abroad, at home, in your car, on foot, wherever.

The lock to your hotel room can be a TRAP. Dozens of people, even criminals, may have the key. Anybody else can simply knock—then, when you open, burst in. I show you how to be entirely safe and sleep calmly without danger.

Here's a protective service for 25¢—how to protect business secrets and advice on the best kind of peephole "spy" interviewer. I reveal where criminals hope you keep your dog and advise where to keep your dog to protect you best—especially at night.

Intruders may easily open any spring latch, bolt or lock in your house. I show you simple ways to prevent this—for pennies!

## Suddenly Feel Secure!

Here's how to know for certain whether someone entered your apartment while you were gone—for a fraction of a cent. I report on a simple light portable device to keep a door closed while you are in the room. And on another that makes it impossible for an intruder to "pick" the lock. Even how to use your present TV, radio or stereo to protect you.

I show best ways to secure your car, how men—and women—can best hide money on their person. Exactly what to do about servants, and children, who seem to be making minor thefts.

Here's how to avoid criminals you might otherwise accidentally encounter. What precautions to take before leaving your apartment. Most window locks cannot even withstand a slight push—or are too loose to lock adequately. I show you exactly how to secure these openings firmly.

## How Best to Defend Yourself

Suppose a dangerous intruder gets in your house—or a criminal attacks you in the street, in your car or wherever.

I show you now how to defend yourself. I show you simple weapons to use—strike a sharp blow, apply wicked pressure—even shock. I give you effective ways to use an umbrella and newspaper to defend yourself—a special way to repel an intruder—and spray mark him for future identification.

Here's how to use pennies to quintuple your punching power. What never to do with firearms against any intruder—that you see on TV everyday. How to master the Karate chop. I show "dirty ways" to fight with your elbows—how to use your

voice in a fight with 3-Way results—devastating "foot punches"—even better with high heels—and reveal vulnerable spots on attackers, heads and below.

I give you Judo blows delivered with the open hand—exactly what to do to nerve centers to make an attacker go crawling away. I warn you of self-defense gadgets that may be illegal in your area—or too dangerous. I give eminent legal opinions on your rights in resisting—even killing an intruder.

## Fantastic Security Devices!

STEP INTO A NEW

WORLD OF Amazing Security Devices . . . keyless locks you dial or operate by push-button. Special alarms that cause remote controlled lenses to take pictures for future identification of intruders. Inexpensive electronic sensors

that guard all windows, doors, driveways, grounds—report an intruder breaking in to an alarm above your headboard. Special units that give alarms when something is touched—or approached.

Amazing auto security devices to secure hood, prevent crossing ignition wires, secure hub cap, gas cap and gears. Alarms and noisemakers that go off if doors, hood or trunk are opened.

Astonishing robot home electronic units that phone messages to police, report on entry, phone nre department and report fire, even phone utility and report appliance trouble—or phone your summer home or trusted friend when trouble strikes—actually distinguish between emergencies and give proper report to parties concerned. Amazing robot nurses that report heart attacks or other sudden danger health conditions.

I report on amazing protection available from simple, low cost security items—like astonishing chain locks you lock from outside. A simple gadget that makes it impossible to budge a partially open window. Pillow switches for outside lights.

I show how to use inexpensive equipment in place of costly equipment—and get more security.

I report on TV cameras or 2-way voice boxes that escort you from your lobby into your elevator, and to your apartment—and screening downstairs TV camera that flash visitor's face—and credentials—on your TV screen.

## The Full Story

Here's the full story of latest sophisticated "bugging" devices that spy on you electronically—exactly what to do to protect yourself, and business.

I reveal three "secret" devices that cost you nothing—are found in every hotel or motel room—and have enabled me to sleep soundly in hundreds of strange rooms throughout the world.

I show you how to protect locks against any master key—block any door knob from within—make a noisy clattering burglar alarm at no cost.

## Act Now!

Don't buy a fire extinguisher after your home burns down—or this book after you're a crime statistic.

Accept it now YOU must feel more secure than ever in your life before—or no cost. Could anything be fairer?
