A stunning opportunity to own some of the finest (and most interesting) reference sets ever published

For the man whose interests cover today's broad and expanding spectrum of science, membership in the Library of Science is essential. No other book service offers so wide and so careful a choice of the significant new books in all disciplines. As a member, you will enjoy savings up to 40%—sometimes more—on the books you find most rewarding. Add to that an opportunity to build your library through free bonus books—plus this very special trial membership offer—and you'll find it a wise and satisfying decision to start your trial membership now.

TRIAL MEMBERSHIP APPLICATION

THE LIBRARY OF SCIENCE
Front and Brown Streets, Riverside, N. J. 08075

Please enroll me as a Trial Member and send the library set or sets whose numbers I have circled below and bill me only \$1 for each volume. Also send me my first selection, as indicated below, and bill me at the reduced Member's Price plus shipping. If not delighted, I may return all books within 10 days and my membership will be cancelled. As a Trial Member, I need accept as few as 3 more Selections during the next 12 months, always at reduced Member's Prices plus shipping. I understand that savings range up to 40%, and occasionally even more. Each month I will receive advance reviews describing forthcoming Selections, along with a convenient form for requesting Alternate Selections or no book at all. For every 4 Selections purchased, I may choose a free Bonus Book. (This introductory offer counts as the first selection.)
