Imagine your serving Appetizers and Soups; Sauces and Salads; Cheese Dishes and Desserts; Meats, Poultry, Game, Sea Foods; Cakes, Cookies and Candies! . . . Everyone the finest in the world! Everyone from the great chefs of the White House! — Everyone the favorites of Presidents, their First Ladies, and the world's most distinguished guests! Everyone a conversation piece, about which you can delight your guests with its fascinating White House history.

Now Eat Better than Any King — Eat like a President at the White House!

When Thomas Jefferson returned from four years as Minister Plenipotentiary of France, he brought with him the renowned Julian . . . the first of the great chefs who have ruled the White House kitchen. Ever since, for 165 years, the White House has been the scene of elegant dining a source of superlative examples of our American and International cuisine, the best of which are in this precious volume! Years of careful research has confirmed that all these dishes were truly favorites of Presidents who enjoyed them.

In the search for authentic recipes, a wealth of little known information about the White House and its occupants was discovered. So, in this priceless volume, you will discover rare games of our country's history, as well as a treasury of new exciting recipes that will win unstinted praise of family and guests.

Deluxe Edition for Gift Giving!

A few volumes are being beautifully bound as De Luxe Edition in white Morocco-Grained Artcraft, with hand-tooled design embossed in color of Gold. Order several as ideal gifts for engagements, weddings, birthdays, all occasions. Only \$3 while they last!

Examples of the Presidents' China Collection are pictured in glorious color . . . American flora and fauna were depicted on the 1000-piece Haviland china of Rutherford B. Hayes.

John Adams, second President and first occupant of the newly built White House, ordered the Sevres china set of which this elegant tureen is a part.

Polk entered Congress in 1825 and in 1835 was chosen Speaker of the House as a reward for party loyalty.

The simple, red bordered saucer, butter pat, and platter seem to reflect the subdued ways of President Franklin Pierce and the invalid Mrs. Pierce.

Benjamin Harrison ordered this limoges china with its border of corn and golden-rod. It was used during the second administration of Grover Cleveland.
