

Do You Know?

Zirconium at high temperatures can absorb "considerable quantities" of oxygen, nitrogen, carbon monoxide, carbon dioxide, hydrogen and water vapor, and retain them permanently in the metal.

When several *squirrels* are traveling one after the other, never shoot the one in the lead as that usually is a female; she may live through the hunting season to produce young.

There is a definite correlation between success in life and an individual's *vocabulary*; in industry, the boss almost invariably has a larger vocabulary than those he directs.

Farmers in the Southeast Asian region of Indonesia may be harvesting about 3,000 quarts of milk to an acre next year; it will come from *soybeans*.

The overdrying of *cotton* rather than the temperature of the drying air is mainly responsible for quality deterioration before ginning.

Scientists at the University of California's Citrus Experiment Station have developed 484 *hybrid seedlings*, most of which are highly resistant to the tiny but destructive nematodes.

Cows are less tolerant to heat than man because of their inability to shed heat by perspiring.

Basic home *nursing* skills can be learned almost as well by home television as in the classroom, reports the American Red Cross.

Bioclimatology is the science dealing with the effect of physical environment on human beings, animals and plants.

NOW YOU can get a real start on a complete record collection. You get ALL EIGHT masterpieces—complete to the last note—for only \$1.00. NOT \$1 each, but \$1 for ALL EIGHT.

Of course, this price bears no relation to the value of the recordings. Even for TWENTY times that amount, you could not buy these masterpieces in recordings of equal quality.

Why We Make This Amazing Offer

We were FORCED to make this "give-away" offer... for only by putting our recordings in your hands can we convince you how extraordinary their tonal quality is. Performed by internationally-renowned orchestras, conductors, and soloists. Custom-pressed on the purest vinyl plastic. Reproduced with a fidelity of tone which encompasses the entire range of human hearing... 50 to 15,000 cycles!

HOW CLUB OPERATES: As a trial member, you are not obligated to ever buy another record from us. You do, however, have the right to try—free of charge—any of the Society's monthly selections which interest you. You receive prior notice of these. You pay nothing in advance. And you are not obligated to keep those you try... even after you have played them and read the interesting music notes which accompany each selection. You pay only for those which after having tried them—you decide you really want to own. And for these, you pay only the low member's price of \$1.50 per long-playing disc, embodying on the average about 40 minutes of music by the great masters. A saving of about 2/3 off the usual retail price!

Think how much beauty and serenity these recordings will add to your life—at a trifling cost. Think what a cultural advantage your children will gain by having great music as an everyday inspiration.
