# THE INSECT WORLD

What clumsy giants we must appear to the darting dragon-fly or the laboring bee! Wonderfully interesting is the life of the beetle, the ant or even the despised fly.

Science Service will gladly mail you any of the books listed below. Just check those you want, and mail to us, with the list price.

## BINDER COVERS

FOR

## SCIENCE NEWS-LETTER

Many subscribers have expressed a desire for a convenient binder in which to file their copies of the Science News-Letter. We therefore have prepared an attractive and durable loose-leaf binder-cover of gray leather-like stock, printed in dark green and complete with fasteners. Each binder-cover will hold one volume (six months or 26 issues).

To facilitate punching the issues of the Science News-Letter to fit this binder-cover, a pattern showing where holes should be placed appears each week on the back cover page.

To obtain a binder-cover, send 20 cents in stamps (make them 2s, please), together with your name and address (please print) to
