# How to extend Christmas THE WHOLE YEAR THROUGH

FOR THE MOST UNUSUAL PERSON  
ON YOUR CHRISTMAS  
LIST

Wouldn't he (or she) like a gift of twelve packages, one to arrive each month in 1962?

## Twelve Surprises One each month for a year

IN EACH 1962 monthly gift package, there will be several objects of science to be handled, looked at, experimented with, and owned by you. Included will be sheets of explanation which give the interesting details of discovery, of development, of manufacture; and tell how to perform unusual experiments with the contents of the package.

Since late in 1940, packages like these have been going forward to members of the THINGS of science group. Glance over this list, then decide whether a membership, which brings monthly packages on subjects as widely varied as these, isn't just the thing for that most unusual person on your Christmas Gift list.
